MOUNT CARMEL CENTRAL SCHOOL

#58 Palace Road, Bengaluru -52

15 September, 2017

Dear Parents,

We have a 100th Day of School celebration coming up next month! As we are reaching the midway of this scholastic year, we like to pause and have some fun and frolic. This is only for the Kindergartners! The idea behind having this is to give our kids a sense of time and days and to enjoy doing some fun activities.

This week we had our First Term Assessment for the Pre-Primary, and Formative Assessment II for Primary classes. Due to this recent heavy rain and change of weather some students are sick with viral fever or stomach flu. Kindly pay attention, if they are sick, please do not send them to school, just inform the office and we will let the respective teachers know. If the teachers have any information to convey to you, either the office or they will contact you.

Class Field Trips: The pre-primary and Primary are planning for their recreational and educational Field Trips .The Trip for PRE K A&B and UKG , LKG A&B will be next Friday, Sept. 22nd to Indira Gandhi Park , Bangalore. More information will be sent home by the teacher.

Reading: I urge you parents, encourage your child to read at least 10-20 minutes every day and spend more time on holidays. As part of the Language Arts, skills in Reading, speaking, Comprehension, Vocabulary, Spellings, Writings are its components to develop. By cultivating reading habit, all these skills can be improved and achieved.

Dussehra Vacation: This will commence from October 13th to 24th.

Before you get away for vacation, please see that your child has any Projects or home assignments need to be completed. The Pre-Primary students may have a 100th day project to do with their parents.

Safe Environment:: This Tuesday 12th we had a Safe Environment Instruction for our Primary kids by the PG students of Mount Carmel College. They demonstrated Safety Tips and Good and bad touch in the form of a small skit.

Currently, what is going around in the schools and society scares all of us. We, parents, school staff and management should be on the same page in guiding and instructing our kids and be cautious. We should instruct them 'NO' to talking to strangers, receiving any eatables from strangers, give out any personal information and also be aware of good and bad touch. Please ask your child on a daily basis, 'how was the day at school, what did they learn, what did the teachers tell them, how was their ride in the van or autos back and forth' etc. etc. Make it a habit that they communicate to you everything, and let you know if something went wrong.

Uniform Infraction: It has been noticed that some of the students are violating the school uniform rules. The Formal Uniform (Maroon frock or checked shirt and American Khaki shorts/ pinafore) should be worn on Monday, Tuesday, Thursday, Friday and (Saturday on school days). On Wednesdays only white Uniform should be worn and Appropriate Free Dress (Color Dress) is allowed, if your child is celebrating Birthday or any special occasion at Principal's discretion.

Competition Winners: We congratulate everyone who participated in the various competitions held at school for August/ September.
